

Torchlight Shaker
Privacy Policy

Last updated
12 August 2018

“Torchlight Shaker” is an easy application to control the torch of the smartphone. Camera authorization is necessary to control the flash of the camera. If this authorization is not given, the application won't work properly.

The camera (use of android.permission.CAMERA) is used only for using the flash camera (no picture is taken, and no data is sent over the network).

Summary

- **This Application NOT collects some Personal Data from its users.**
- **NO Interaction with external social networks and platforms.**
 - **Permissions asked:**
android.permission.CAMERA
